

Why am I being referred to a Specialist?

When you have a chronic or more complex dental health problem, our dentists at Eumundi Dental may recommend that you seek further specialist treatment. If this is the case, they will give you a dental referral to a specialist provider. A dental specialist is a dentist who has completed additional postgraduate training in a registered speciality.

Eumundi Dental has connections with a several dental specialists located right here on the Sunshine Coast, that we trust to provide exceptional care if further treatment is required.

Oral and Maxillofacial Surgeons
